Foreword

It is our goal to record in pictures and words the happenings and events that we have shared this year at Lima Senior High School—and if at some future time, as you turn through these pages, you will recall the many friends you have made, and the happier experiences you have had, then our goal will be more fully realized.

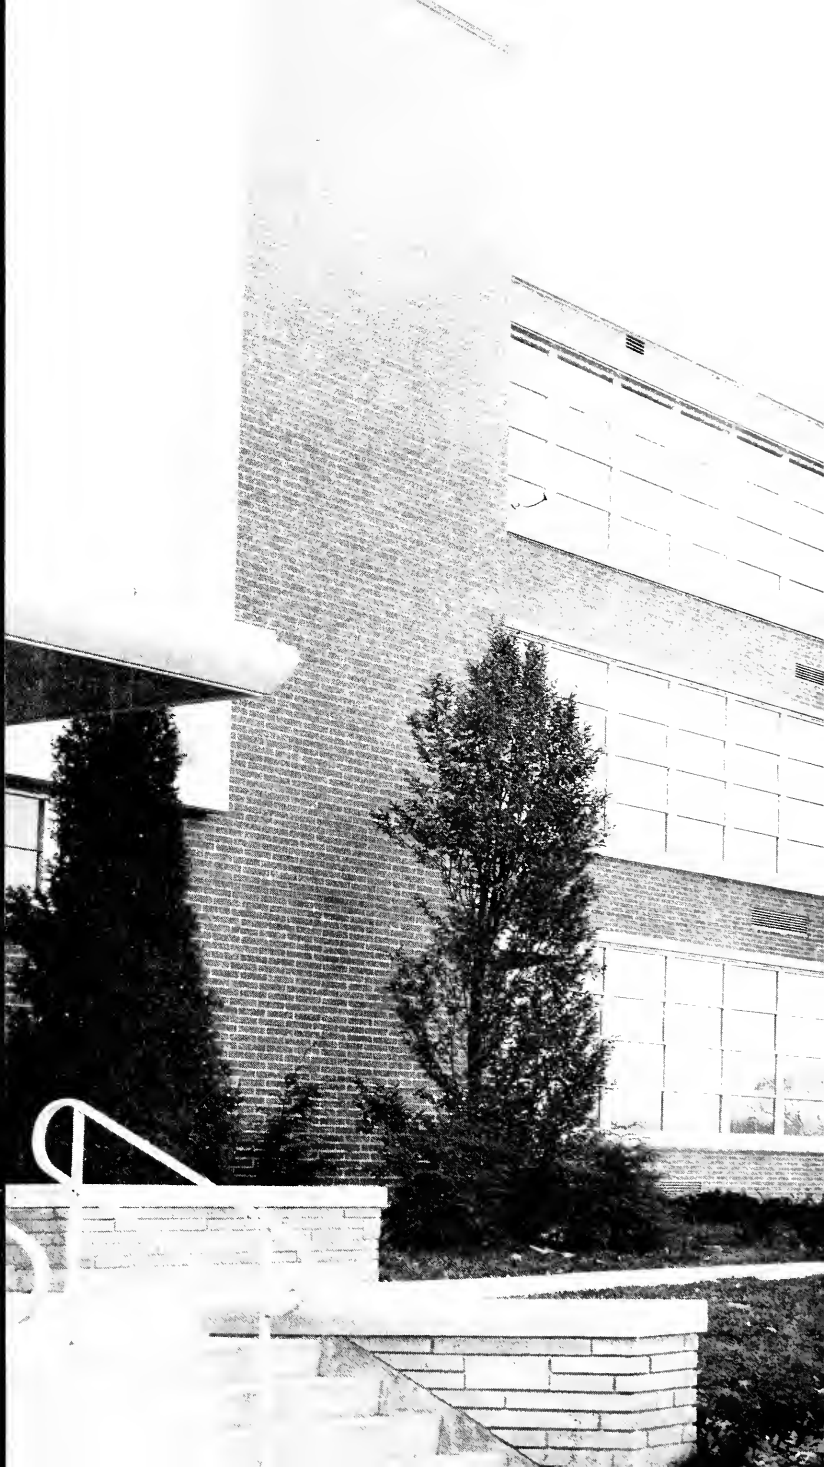
LIMA, OHIO

ALMA MATER



Alma Mater

(Adopted by student body,
February, 1957)

Hail to thee, proud Lima,
Colors fine and true;
Many thoughts our hearts will cherish,
Though we're far from you.
In thy halls of truth and learning
Linger mem'ries dear;
Ev'ry voice will hold a yearning,
Never disappear.
Alma Mater, Alma Mater,
Lifting every hand;
May your sacred halls and towers,
In our Mem'ry stand.

THE SPARTAN ECHO STAFF

(Mr. Cliff Hubbell, Advisor)

Without the fine cooperation of so many people it would have been almost impossible to assemble the information and materials in this yearbook. Therefore, we want to thank the teachers and students who helped in identification and with the copy material. Our thanks also go to the distributive education section for the planning and completing of the advertising section. We tip our hats to Mr. Rex and the boys in the photography club for their fine work, patience, and many hours spent in making the pictures for this, the 1957 issue of the Sparton Echo.

GRADUATES OF 1957:

Another milestone in your life has been reached. On June 6 you will receive your coveted sheepskin from the Lima City Board of Education. On its face you will read this inspiring statement: "... has satisfactorily completed the Program of Studies prescribed by the Board of Education and is declared a graduate of this Institution, a High School of the First Grade, and is therefore awarded this Diploma."

This diploma has real significance in American life. Its holder will be able to enter many economic and cultural doors which otherwise would have been closed to him. You and I know, however, that the diploma itself has little inherent value. In the final analysis its value is measured in terms of your own growth in an intellectual, moral, social and physical sense.

I wish you good luck and much happiness in all of your future endeavors.

Cordially,

GORDON G. HUMBERT
Superintendent of Schools

The second graduating class of Lima Senior High School is about to join with the first as alumni. I should like to congratulate each of you personally and as a class. This class has been quick and certain to assume the role of leadership. You and the underclasses have made great strides toward the development of our school as an institution with personality and tradition of its own. You may well be proud of your contribution.

We of the faculty would like to pledge to you and your successors our continued cooperation in making Lima Senior High an alma mater worthy of your pride. You are and will always be one of our family. We will ever welcome you to visit us. We hope you will know we have a helping hand for you if you ever need us.

Harry E. Martin
Principal.

Secretary, Barbara Miller
Treasurer, Barbara Seitz

The Pep Club, which was founded in the fall of 1956, organized something new this year to promote school spirit—a Block "L". During the football season the "L" was made by flashing red and white cards. When the basketball games began the cards were replaced by red and white sweaters and gloves. It has been proven that this organized cheering section has helped promote school spirit and let's hope that it will be continued in the following years.

SCIENCE CLUB

(Mr. John Kohn, Advisor)
